COUNTRY PLAN BOASTS SUPER MASTER BATH AND CLOSET

FEATURE HOMES

© By W. D. FARMER

A wide covered front porch leads to impressive foyer with view to isolated living or dining rooms, both with bay windows. Walk straight through to massive family room which has screen porch or living room access, book shelves and fireplace. Complete traffic flow is shown with living, kitchen or foyer access. A convenience half bath is indicated as well as a private wet bar near stair to basement.

The enormous kitchen boasts island surface unit, plentiful cabinet and work surface, built-in appliances, desk and breakfast area with bay. Notice brick faced wall in this area as well as door to deck and laundry area from which you can walk to rear study, stair or garage.

There are four bedrooms and two large baths up. One bath is compartmented for servicability and the other is a luxurious bath for master bedroom suite. This bath includes twin lavatories, corner tub and corner shower. The bed area is endowed with a bay window and a super walk-in closet is shown. The private study is adjacent.

The country exterior is endowed with old fashioned wood rail porch, multi-lite and dormer windows and side-lited door.

The plan is Number 3604. It includes 3,623 square feet of heated area. All W.D. Farmer plans include special construction details for energy efficiency. For further information write W.D. Farmer, P.O. Box 49463, Atlanta, Ga. 30359.
